Pope Francis

## Why should I bring my voice to this conference?

**If you are passionate about mission and/or serve in a leadership role in an agency, organisation, community or parish, this conference is for you! It will offer valuable professional and personal development, help nurture a vocational heart for mission and inspire you to “go forth boldly”.**

Above all, the conference is a time to read the signs of the time with an aim of affirming what we do well, nurturing our growth and rethink and reformulate how we effectively live and lead mission today and tomorrow.

The conference will be a place for all those who are inspired to strive creatively for justice, peace, reconciliation and God’s mission of mercy in Australia and globally. It will provide a unique opportunity to listen, converse and experience the many and diverse voices that are an expression of the one heart of mission. The Conference will explore the complexity and issues surrounding leadership, formation, theology and practice of mission. Inspired by Jesus and Pope Francis the conference content will focus on many themes of living and leading mission in ways that may surprise you.
