**For the role of women:** Let us pray that the dignity and worth of women be recognised in every culture and for an end to the discrimination they face in various parts of the world. Lord, hear us.

#### **Word of Thanks from Fr Justin**

To all of the parishioners of the Creswick and Daylesford parishes, I express my deepest thanks to you for your kindness, generosity, encouragement and good will in farewelling me from your parishes. I appreciate all of the effort, time, and organisation involved in these gatherings and thank those involved in their preparation as well as all who attended. I appreciated the humour of the various presentations and the sincerity of those who spoke as well as the many cards, emails, messages and prayers received. Thank you to all who contributed with such generosity to the farewell gifts which I have received with much gratitude.

Sincerely, Fr Justin.

#### **Acknowledging 150 Years of the Diocese of Ballarat Community, Remember, Revitalise, Hope**

Across the Diocese this weekend, parishes will acknowledge 150 years since the Diocese of Ballarat (and Sandhurst) were created on March 30th 1874. In 1844 the first Mass was celebrated in Port Fairy, the first in what would become the Diocese of Ballarat. Bishop Paul, in his message about the anniversary, said, "Our 150th anniversary will be an opportunity for each community throughout our diocese to remember those who have gone before us, those who have laid the foundations of our parish and school communities and the social services and health care that are provided in our diocese today. The anniversary will be an opportunity to review our history, acknowledging both strengths and weaknesses, celebrating the achievements and recognising the failures to live our Christian faith to the full. It will be a chance to take stock of where we are now and look ahead to how we can live as a truly Christian community, sharing the good news of Christ, in the years to come." (ODC July 2023) 150 years since the creation of the Diocese of Ballarat, from the Murray to the Sea, we acknowledge the strengths and weaknesses of our history.
