Eathcare Game – small steps to save the planet: EARTHCARE game is a fun way to explore the many ways we can care for the earth, connect with nature and help conserve the planet's resources. Take small steps to save the planet and earn points. Make a mess, waste energy or water and lose points. I CARE cards help you do good things. EARTHCARE is inspired by the game CONSERVATION, invented by R. J. Reynolds in New Zealand in 1976. International drawing contest fort kids: The earth's climate is changing. Kids need to know what is happening, why, and how it will affect them in the future. This contest offers you a chance to take action to help slow climate change – because a tree will be planted for every kid that enters! Adults will also be encouraged to contribute to planting more trees too.

The competition runs from May – June 2021 for kids aged 4-14. For more information go to <https://kidscareaboutclimate.org>

HISTORICAL CONTEXT

Pentecost

The word Pentecost comes from the Greek for fiftieth day. Pentecost Sunday ends the season of Easter and comes as a Sabbath day after seven weeks of seven days. In Jewish tradition the 50th day after the Passover was celebrated as a blessing of the harvest and rather than the unleavened bread of Passover it was celebrated by leavening the bread. It was for this reason that the disciples were gathered together when they experienced the Holy Spirit empowering them. In Christian tradition, Pentecost is celebrated as the arrival of the Spirit, promised by Jesus, that animated the disciples to spread the gospel of Jesus and gather believers to form what would eventually become the Church.
