World Mission Sunday - TODAY

Today is World Mission Sunday, a day dedicated to the great work of Mission. To celebrate this event, Catholic Mission is inviting all of us to answer our call to be missionaries. Through their international network of the Pontifical Mission Societies, Catholic Mission have created a 2022 #wearestillhere message that witnesses the dedication of missionaries around the world and is a celebration, an acknowledgment, and a thank you message to everyone who is answering the call of being missionaries wherever they are. Together, let's reach out and give life. Join Catholic Mission as a missionary and learn what Mission means to our brothers and sisters at catholicmission.org.au/wearestillhere

Catholic Mission began with the vision of one woman. **2022 is special year** as it marks significant anniversaries in our history.

Two-hundred years ago, a young Frenchwoman, Pauline Jaricot, had the vision of an international network of prayer and support for the work of mission. From the commitment of this one woman, the global mission of the Church found sustenance and support. In May 2022 Pauline Jaricot's beatification took place, a key milestone on the journey towards being recognised as a saint.
