The Diocesan Social Justice Commission has reluctantly decided to **cancel** this event. The format that had been planned would have involved considerable IT costs and this outlay did not seem warranted in view of the small number of registrations. We will still promote the Social Justice Statement by making resources available in less expensive ways. A very sincere thank you to the Guest Speakers and Councillors who offered their time in support of this event. Thank you also to the parishes who advertised this event for the Commission and to those participants who registered. Your support has been greatly appreciated.
