Praying for Holy Land Peace

Br Peter Bray (De La Salle Br

from New Zealand), Vice

Chancellor of the Bethlehem

University writes

"We are pursuing a position

that the Church in the Holy

Land has consistently taken

of speaking about justice,

peace, reconciliation, respect,

and a search for equality.

It is an uphill task against

the dominant words of hate

and revenge. Please keep us

in your prayers."

Synod on Synodality in Rome

Discussion on the theme of "mission" has taken place in Rome until October 18th.

During the confidential small group conversations, synod delegates are now expected to consider the following questions:

1. How can we walk together toward a shared awareness of the meaning and content of mission?
2. What should be done so a synodal church is also an "all ministerial" missionary church?
3. How can the church of our time better fulfill its mission through greater recognition and promotion of the baptismal dignity of women?
4. How can we properly value ordained ministry in its relationship with baptismal ministries in a missionary perspective?
5. How can we renew and promote the bishop's ministry from a missionary synodal perspective?

Bishop Shane Mackinlay of Bendigo, a synod delegate, has been appointed by Pope Francis to the committee which will draft the final synthesis document for the Synod on Synodality, has expressed his approval for women's ordination to the diaconate in an interview with Vatican journalists.

The Maria Auxiliadora Clinic is a vital project for the Salesian Sisters and the Church in Venilale, Timor Leste.
