Closing up St Augustine's Church after Sunday Mass: Those rostered for Welcoming are also asked to open the church if necessary, and then close the church after Mass. This means: Closing the front door, turning off all lights and power points, setting the alarm in the sacristy. A key is not needed. Please ask Fr Gary if you need instructions re the alarm. Because of the need to set the alarm, other parishioners are asked to be aware of those closing up, and to move out of the Church soon after Mass, or volunteer to close up.

Church Keys: If anyone has a church key or keys for St Peter's that they no longer require please return it to the Office as soon as possible.

Thank You :- to the people who generously donated money to offset the cost of the replacing of the data projector at St Peter's—much appreciated for your great help. Fr Gary. (\$2,850)
