Cyber Safety Presentation- The Catholic Development Fund together with the NAB are launching a Cyber Safety Presentation for all parishes in our diocese (see attached flyer). Cyber Safety is a growing concern for all of us and one that is greatly on the rise. Unfortunately we have recently seen the damaging effects of some cyber scams, we know that it could happen to any of us. We believe that this presentation will be of benefit for anyone that uses a computer. The NAB have also offered this presentation via webinar for anyone that would like to attend but due to distances or other reasons cannot. If you or any others in your office would like to attend the presentation or if you are interested in connecting via webinar, please contact Sharyn Simpson at the CDF, email sharyn.simpson@ballarat.catholic.org.au

REFLECTION by Greg Sunter

Gospel Reflection

In the readings for Ordinary Time, we take a break from the sequence of readings from the Gospel of Mark for a few weeks and this week's reading begins a diversion into chapter 6 of the Gospel of John. The whole of John 6 is an extended discourse that explores the image of Jesus as the Bread of Life. The chapter and the discourse begin with this week's miraculous feeding of the multitude. As this event occurs in each of the four gospels there is a compelling argument that there is some basis in fact or, at the very least, that the metaphoric image of Jesus feeding a crowd was an enduring one in Christian communities.

Jesus is described as testing the disciples, asking them where they might be able to purchase bread for the crowd. Phillip is overwhelmed at the thought of spending a fortune on enough bread for more than 5,000 people. A small boy nearby had a few loaves of bread and a couple of fish. Jesus took the bread and fish, gave thanks and then had the disciples begin to distribute the food. When everyone had eaten their fill, the disciples collected twelve hampers of leftovers. Some commentators suggest that the twelve baskets represent the twelve tribes of Israel – indicating that the message of Jesus will be enough to feed and sustain the whole of Israel. Having witnessed this miracle the people have a sudden insight into who they think Jesus might be – the promised Messiah come to free them from their Roman oppressors. Wary of the crowd's mistaken understanding of what the Messiah is to be, Jesus literally heads for the hills to avoid being made a political figurehead for the people.

Living the Gospel – Plenty for all

The feeding of the multitude is a profoundly political statement. Quite simply, there is sufficient food in our world to ensure that no one should ever be hungry. Sadly, the distribution of that food is such that there are some in our world whose bellies are expanding from an excess of food while others' are distended from the lack of it. We can easily feed the entire world. It is the responsibility of those of us in the developed world with more than we need to bring about a more equitable distribution with those who don't even have enough to live.
