Focus on the Scripture

This feast harkens back to the celebration of Holy Thursday. By way of the metaphors of food and drink, its readings provide us with a look at the mystery of divine presence. They first provide a picture of a God who feeds us. In the past God set a table in freedom, and then provided food that enabled our ancestors to survive. God fed those who were needy, not those who were worthy. Jesus offered sustenance to the crowds that

gathered around him. It was not manna from heaven that he offered but his own flesh and blood as food and drink. This food and drink are the pledge of eternal life.

Those who eat this bread and drink this cup are caught up in a profound unity with God, a unity not envisioned in the wilderness experience. There is a new overlay of significance. Jesus' claim to give his flesh and blood was a bold one, Paul's seems even bolder. He states that partaking of the bread and the cup not only joins us with Christ, but actually makes us participants in the body and blood of Christ. Humanity and divinity are joined as one. The Eucharist is a sign of unity in another way. Joined to the body and blood of Christ, we are joined to each other. We are one body and that body is Christ. The Eucharist is truly a celebration of thanksgiving: thanksgiving for our transformation and thanksgiving for our unity.

This appeal coincides with the time of year that many of our less fortunate in society need assistance the most. Funds raised will be dedicated to rebuilding lives – to providing blankets for warmth, assistance in paying utility bills and rent and the provision of food. It is hoped that the Appeal will be able to assist some 1.3 million people in chronic need this winter. Please give generously (envelopes can be found at the end of each pew). More information about the appeal can be found at <https://winterappeal.vinnies.org.au/>
