#### Reflection

The word of God is to be the Human Heart, what a seed is to the earth.  
However, just as a seed needs soil, so the word needs a respective heart.  
The earth responds to the rain and sun, so that even the desert blooms.  
But the arid human heart has the power to resist, so that it remains barren.  
Lord, soften our hearts with your grace, open them with your gentle love, so that the precious seed of your word  
May take root in our hearts, and bear fruit in our lives.

#### Thank you

Thank you to everybody for your patience in the setting up of the new time roster. All the wrinkle's have been ironed out. If you have any queries about the new roster, please phone Fr Alex.

#### Sunday Humour

When a woman decided to send the old family Bible to her brother in another state, the postal worker asked her if there was anything breakable in the package.

"Only the Ten Commandments," she replied.
