Lord Jesus Christ, you have taught us to be merciful like the heavenly Father, and have told us that whoever sees you sees Him. Show us your face and we will be saved. Send your Spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind. Amen

ity of detention on Manus Island, one would imagine that Australia's but the fate of asylum seekers. Here are three things that we can do.

for the fair and just treatment of asylum seekers who come from ness and understanding, and it acknowledges that this is a two way street: ople seeking asylum in Australia, and that those who come here have a our diverse community. There is a rising groundswell of support to change ind a better way that acknowledges people's basic human rights.

ope that those who sign the Pledge will think deeply about how we can do nake a difference, and find the humanity that lives within us all. And share gn it and display it somewhere public. Follow the links to let the he pledge. Note from Fr Andrew: sign it and display it on your fridge. esting discussions with family and other visitors.
