## 2016 National Church Life Survey (NCLS).

St. James' Parish Church has been selected by the Pastoral Research Office of the Australian Catholic Bishops Conference to undertake the National Church Life Survey (NCLS). We will participate in the National Church Life Survey **on Sunday 30<sup>th</sup> October**. Our church will be amongst thousands of churches that complete the 2016 National Church Life Survey (NCLS). The purpose of the NCLS is to help churches to be more vital and effective. Through the survey our churchgoers will be able to give their thoughts, opinions and experiences of church life. The survey provides valuable feedback that enables leaders at local, regional and national levels to evaluate and plan for the future. After 25 years of experience you can be assured that this Christian mission research with proven academic credibility will lead to practical application in churches. Our church's contribution will form an important part of the national snapshot of the whole Australian Church.
