Plenary Council Update The Listening and Dialogue phase is over. What happens now? With the Listening and Dialogue phase now complete, the National Centre for Pastoral Research will continue the deep listening process, conducting a qualitative and quantitative analysis of the submissions received and, using best-practice research methods, will identify key themes that have emerged. Then, in May, the Bishops Commission for the Plenary Council, the Plenary Council Executive Committee and the Facilitation Team will work together with the National Centre for Pastoral Research to finalise the National Themes for Discernment. Those themes will become the focus for the Listening and Discernment phase, which will begin from June 9, and will be the foundations for the Plenary Council agenda.

Caritas Australia Project Compassion – 3rd Sunday of Lent

Peter is thrilled to now have clean water on tap at his boarding school. Long walks to unsafe water sources were tiring for Peter, who is living with a disability. With more free time and fewer illnesses caused by dirty water, Peter can fulfil his hope of focusing on his studies, providing him with brighter future. Please donate to Project Compassion 2019 and help young people with disabilities gain access to clean water in the Solomon Islands, providing hope for a brighter future. Lives change when we all give 100%! You can donate through Parish boxes and envelopes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.

Fr. Lovin is available to make Home Visits – As part of our care for those wishing a visit from a priest, a direct request is to be made by the person themselves or a member of the person's family. Please contact either Parish Office and leave your details. Fr. Lovin will then finalise visiting details.
