

YOUNG VINNIES

On Thursday, June 27 Young Vinnies students at St Brigid's College in Horsham provided a BBQ lunch to raise funds for the Assist-a-Student program. The Assist-a-Student program provides funding for an education scholarship to train and educate a student in another country for one year.

The assisted student receives a scholarship for one year and the money raised by our Young Vinnies contributes to their education needs. Poverty is a vicious cycle. In many Asia Pacific countries poverty means talented individuals lack opportunities. The education of a person develops self-esteem and skills and in turn has a positive effect on the whole community. Education is the key to enabling an individual to support themselves, their families and their communities independently in the future. Congratulations to our Young Vinnies.

Rhiannon Abernethy - School Development Officer
