

LIBRARY RESOURCE CENTRE OPENING

We had the great pleasure of opening the Mercy Campus Library Resource Centre on Monday, June 3 at St Joseph's College Mildura with a ribbon-cutting ceremony. Mercy Campus staff and students have had the Resource Centre on their collective wish-list for many years.

Students can now more easily borrow books and use other library resources, and we have another valuable space for workshops and meetings. Mercy Campus thanks the College Executive for their assistance in facilitating this upgrade, and special thanks to Mr Troy Rivett, Ms Libby Fethers and Mrs Amanda Corponi for their work in designing and furnishing the space.
