

ANNUAL BLESSING OF THE PETS

On Friday evening, October 11, Fr John Fitzgerald invited St Joseph's Warrnambool parishioners and school families to bring along a pet to be blessed in the church grounds.

Dogs, cats, birds and even a racehorse arrived! *Prince of Penzance* paraded in the grounds for some pats and photos. This was a special opportunity to celebrate God's bounty; as we all know pets bring fun, responsibility, love and friendship to the lives of many.

The Blessing ceremony invited us to remember the importance of stewardship of our natural world.

Michael Gray, Principal
