

## ST MARY MACKILLOP COLLEGE SWAN HILL CELEBRATES MASS

A wonderful online Catholic Education Swan Hill Mass was recently celebrated to observe what would normally be Catholic Education Week in our diocese. Sincere thanks to Fr Matt, student leaders from St Mary's MacKillop College and St Mary's Primary School, Michelle Haeusler, Principal of St Mary's MacKillop College and Kate Quin, Principal of St Mary's Primary School, for reading and offering reflections of what it means to study and work in Catholic Education.

Thanks also to Mitchell Barkman who recorded and produced the Mass. It is a very special resource the College is lucky to have and fantastic as a teaching tool for RE classes as well! In all the craziness of these current times, constantly finding 'silver linings' that makes the focus on the positives rather than the negatives at the moment is life-saving. This Mass was one of them!

*Alison Wright – Director of Mission*
