

# ST JOHN'S PRIMARY SCHOOL DENNINGTON

---

Hi! We're Maggie and Amity, we are Grade 5 students from St John's Primary School in Dennington. Some of the highlights this year have been bonding with classmates and teachers, learning what it is to be a leader, learning in general and of course the excursions!

We loved doing division, subtraction, decimals and fractions in maths. We also like that we are all given the opportunity to learn at our pace and that if there are some kids that need help the teachers will provide it. English and spelling is great too. We have also enjoyed Genius Hour in Inquiry, it gives us a chance to learn about things we enjoy and choose our own topic.

Our Christmas message is, even though there is conflict and war going on in other places in our world, we hope that everyone has a peaceful Christmas.
