

NEW LEADERS

Schools around the Diocese have celebrated their student leaders for 2016. Here we congratulate the new student leadership team of Our Lady of the Sacred Heart School, Merbein who were announced at the beginning of the year school Mass recently.

Principal Chris Brouwers congratulated the school captains Bailey Edgar, Lila Japp, Jai Millard and Alyssa Marks. Mr Brouwers said he was looking forward to working on a number of projects and ideas for the school with the leaders over the next year. The captains and leaders were selected through a process of application and voting by students and staff, and were all selected on their merits.
