## **From Wandering to Journeying: Thoughts on a Synodal Church**

Journey and pilgrimage are important themes in Scripture and throughout Christianity. They provide a background for considering Pope Francis' election in 2013, his decision to convene two Synods in 2014 and 2015, his proclamation of the Year of Mercy in 2016 and his recent publication of the Apostolic Exhortation *Amoris Laetitia* – seeing all these as part of a process which is far from over.

This gives a context for the recent proposal of the Australian Bishops to move towards a Plenary Council for Australia in 2020, seeing the preparation for the Council, its celebration and implementation as part of the same process, which seeks to make the Church more genuinely synodal in the way foreseen by Vatican II and treated more explicitly by Pope Francis.
