

YEAR OF MERCY REFLECTION

A group of parishioners from the Parishes of Redan and Sebastopol are taking part in the Mercy International Reflection Process (MIRP) in this Year of Mercy as proclaimed by Pope Francis.

This is a worldwide reflection process for the Year of Mercy for Sisters of Mercy and partners-in-Mercy to discern together globally a shared response to the '*cry of the Earth and the cry of the Poor*' in our world today.

The process is being facilitated by Sr Elizabeth Dowling rsm. The group has agreed to focus on '*Consumerism with its throw away culture and its effects on our land/water supplies on the poor*' and are undertaking research to educate themselves on this focus. They hope to arrive at a particular stage where they feel they may be able to take some action and make a difference.
