

SIENA CATHOLIC PRIMARY SCHOOL COMMENCES CONSTRUCTION

Siena Catholic Primary School, Lucas is moving ahead with the building and administration of the new school. Stage 1 modular building is now well underway with delivery expected October 2016. Brad Carr, CEOB Manager for Planning, Risk & Infrastructure, met with Josh Perryman, Director of Swanbuild, to get an update on Siena's building progress. (Pictured below)

Onsite construction works have also begun in preparation for the delivery of the building in October and most importantly, the school is thrilled to announce their newly appointed staff members. Teaching staff appointed are Danielle Brennan, Michael Ross, Ben Stott and Mark Tanis. The new Administration Officer for the school is Genevieve Willmott.
