### ***Catholic Super Wins Best Pension Fund Award***

Catholic Super's MyLife MyPension has been named Best Pension Fund Manager at Money Magazine's Best of the Best Awards 2017.

MyLife MyPension was compared with over 175 other pension funds and has been ranked the best. MyLife MyPension's strong investment results and low fees have resulted in their 'Balanced' option returning 7.1% over a 10 year period, well above the industry average of 5.7%.

Frank Pegan, Catholic Super CEO, said he is thrilled that the organisation has been recognised with the Best Pension Fund award. "MyLife MyPension's success is more than its consistent and exceptional investment performance. It's also due to the care and personal attention our members receive from a service team that is supported by skilled advisers and super specialists, all of whom work together to give our members financial peace of mind throughout their retirement."

This award builds on the industry recognition Catholic Super has received over 45 years with a philosophy built on humility and compassion. As a quiet but consistent achiever, Catholic Super focuses on returns for its members, low fees, flexible products and personalised service.

The 16<sup>th</sup> annual Money Magazine Best of the Best Awards was held on 30 November 2016 and hosted by Money Magazine's Editor, Effie Zahos and Chairman and Chief Commentator, Paul Clitheroe.
