

WORLD DAY OF THE POOR

Love not in word but in deed

November 19, 2017

“...Let us not seek for ourselves more than we need, but rather what is good for others, and nothing of value will be lacking to us. May the Lord, who has compassion for our poverty and needs, and bestows his talents upon us, grant us the wisdom to seek what really matters, and the courage to love, not in words but in deeds.
