## DIOCESE OF BALLARAT SCHOLARSHIP

The Ballarat Diocesan Finance Council has initiated this Diocesan award on an annual basis to support a student from each secondary school/college in the Diocese currently in Year 10, moving into Years 11 and 12. Eleven awards will be sponsored annually, one for each secondary school/college in the Diocese, of \$1,000 each.

Successful recipients of the award will have demonstrated:

- leadership potential and student advocacy;
- community involvement characterized by actions for justice;
- consistent academic application reflective of a commitment to study

Each school will decide on their process of selection and notify the Director accordingly.

The Director of Catholic Education Ballarat will recommend the recipients to the Bishop based on a nomination from each school. Ultimate approval of any award will remain with the Bishop. It is hoped that successful recipients will be awarded their scholarship at the respective schools' annual speech night/awards event or other suitable forum.

Nominations are to be forwarded to:
