

MP VISIT

Catherine King, Federal Member for Ballarat in the Parliament of Australia, visited Grade 5/6 students at Lumen Christi Primary School, Delacombe on Friday, September 7. Students have been learning about levels of Australian Parliament and the roles and responsibilities of local, state and federal governments. Catherine has been a Member of Parliament since 2001 and gave students valuable insight into her role. She also spoke about how our government has changed over this time. She encouraged students to get out and get involved in the community if they wanted to make a positive change for others.

Julie Orr, Acting Principal
