

COMBINED SCHOOL MASS

On August 15, the Feast of the Assumption of the Blessed Virgin Mary, Monivae College and St Mary's Primary School Hamilton celebrated a combined School Mass. The joint liturgical celebration was a huge success with students and staff from both schools participating in the readings and assisting with the serving during Mass.

The students from both schools sang beautifully, but St Mary's lifted the roof when they sang *Matthew 22*. Fr Paddy Mugavin concelebrated the Mass with Fr Peter Hendriks and joined the staff for morning tea.

The pictures tell the story and we look forward to more combined Masses.
