

CHRISTMAS CELEBRATIONS

On Monday, November 20, the Terang Conference of St Vincent de Paul hosted a Christmas Afternoon Tea for the elderly in the local community. Five years ago it was decided that instead of attempting to visit people in the homes during the Christmas season, an afternoon tea would be held and people be invited to come together for a chat, some entertainment, a cuppa and some delicious food.

Over fifty people attended this year and they were treated to a visit from Santa or rather our Conference member and Corangamite Regional President Bill Bourke masquerading as Santa. Students from St Thomas' Primary School, Terang presented an item and Marie Ewing entertained during the afternoon with some musical pieces. President Faye Phillips welcomed all and thanked them for coming out on such a warm day.
