

MONIVAE CHRISTMAS MESSAGE

2017 has been filled with the joys, excitement and spiritual nourishment that is year by year fulfilled within the MSC school, Monivae College, Hamilton. Sacred Heart Day was as festive as usual with the whole school participating in the celebratory events, the Mass, lunch and exceedingly entertaining concert. The joyous occasions continued with Mission Fair Day where every homeroom organised stalls and activities to raise money for a number of different causes and initiatives. A portion of this money goes to our friends in Kiribati and Tapini and this further deepens our relationship with these neighbouring MSC schools and communities.

As a student who has been on the mission experience trip to Tapini, it is especially great to know that the funds Monivae raise go towards assisting those kids at Sacred Heart with their education; something we can easily take for granted with the privileges of going to a school like Monivae. This desire to give and help others is encouraged through our education at Monivae, which is something particularly special about MSC schools and we truly value this. As the season of giving approaches we remember how blessed we are to have our families and loved ones around us as we reflect on the true meaning of Christmas time.

Charlotte Ives - Faith and Service Co-Captain 2018
