Hello Everyone,

As you would be aware, the Victorian government has eased some of the restrictions imposed in response to the COVID-19 pandemic.

The new stage of restrictions relating to churches comes into effect from tomorrow (May 13).

I have been in communication with the bishops in the other Victorian dioceses with a view to having a consistent approach throughout the state and I am hoping to have some guidelines to you by later this evening or tomorrow.

Thank you for all that you have done to care for your parish communities through these unusual times. May the Spirit continue to guide us day by day.

Peace be with you.

Bishop Paul
