

## SUPER DUBE VISITS EMMAUS

Students from Emmaus Primary School Mt Clear were fortunate to be able to attend a presentation by Super Dube, Diocesan Leader for Caritas, in Zimbabwe.

Super spoke about life for people living in Msuna, Zimbabwe - a small village experiencing absolute poverty. He outlined the process involved in the development of a solar water pump to bring clean water to the entire community of Msuna. Super explained the impacts of not having clean running water and emphasised the importance of working together to develop sustainable structures for life.

One of the biggest reflections of this story was the empowerment that comes from giving 100% to ourselves, others and our community. Super commented on how he enjoyed the insightful questions Emmaus students asked, demonstrating their empathy for others and commitment to the dignity of the human person and the common good.

Caritas <https://lent.caritas.org.au/#blank> have worked to develop excellent resources for teachers and students - one of which is a procedure for how to make a 'tippy tap', a simple hand washing mechanism. A video of the story can be viewed at <https://catholicoutlook.org>.
