

CHRISTMAS REFLECTION

What an exciting year we have had together as a community at St Mary's, Swan Hill. Every day is full of fun, learning and most importantly, building relationships with others in and around our school community.

At St Mary's we know that Christmas is a special time where we come together with our family and friends to share love, hope and peace. We are excited to begin the season of Advent – of anticipation and waiting for the birth of Jesus Christ on Christmas Day. We are also very eager to give and receive presents to and from those that we love.

We would like to wish everyone a very merry, safe and holy Christmas and every blessing for a happy New Year. We can't wait for what 2018 will bring.
