

This year was fun at St Joes. I enjoyed swimming with the school for the first time. I liked athletics training with Garnet and school camp at Sovereign Hill was super fun. I really liked gold panning and eating raspberry drops. In book week I dressed up as a motorbike rider.

We went to the winter sports and I played football. It was amazing. Also I went to Kanga Cricket and our team came third overall. A few weeks ago I participated in STOMP dance classes. I liked learning new moves and grooves. I am looking forward to graduating from St Joseph's and going to High School.

I hope everyone has a very Merry Christmas and a safe and Happy New Year.
