**Making Connections:** Be attentive this week to how the seed of God's word and love is growing within you. Foster this growth in as many ways as you can and try to plant the seeds of faith in the hearts of others.

**Marriage Tip:** We remember what we want to hear. Do you ever unintentionally but conveniently "forgot" something your spouse asked you to do? It's easy to do, but try to be more attentive, even when inconvenient.

**Daily Prayer:** From your bountiful hand, O God, you have **sown** generously in our hearts the **seed** of your truth and your grace. May we welcome with humility and confidence what you **sow** in the soil of our lives and cultivate its growth with the patience the gospel teaches, trusting completely and knowing full well that peace and justice increase in this world every time your word bears fruit in our lives.

**A Vocation View:** Through the gift of the Holy Eucharist and by the Word of God we are nourished and continue to grow towards fuller maturity. Like the Church, we are the potential to be like a growing tree, bearing fruit and giving comfort, but always open to **further growth**.

### Pope's Prayer Intentions for June

**Immigrants and refugees:** That immigrants and refugees may find welcome and respect in the countries to which they come.

**Vocations:** That the personal encounter with Jesus may arouse in many young people the desire to offer their own lives in priesthood or consecrated life.

**PARISH PRAYER:** Loving God, **Good Shepherd** to us all, Gather us and form us into a welcoming parish **family**. Touch our hearts with your love so that we, in turn, may reach out to love one another, in a **neighborly** community. **Our Lady Help of Christians**, guide us as we seek to do Christ's will. Bless us in service, strengthen us in support of each other, and unite us as we grow in faith & love, to be a **welcoming**, caring Parish **community**. We ask this through Jesus Christ our Lord. Amen.

Saints Carthage and Mary MacKillop, pray for our Parish family.

**Pope Francis:** Abandoning migrants at sea is an 'attack on **life**'. Pope Francis said "**life** is a gift" and urged more reflection on how people are treated throughout all stages of **life**. The degree of progress of a civilisation is measured precisely by its capacity to care for **life**, especially in its most fragile phases. He said "When we speak of humanity, let us never forget the attacks on the sacredness of human **life**. The plague of abortion is an attack on **life**. **Allowing our brothers and sisters to die in boats in the Strait of Sicily is an attack on life**. Death at the workplace, because minimum safety conditions are not respected, is an attack on **life**. Death because of malnutrition is an attack on **life**. Terrorism, war, violence, euthanasia as well, is an attack on **life**. To love **life** is to care always for others, to want their good, to cultivate and respect their transcendent dignity" he said.

"I AM THE WAY,  
THE TRUTH, AND THE LIFE"  
JN 14, 18.

**Reconciliation - Friday 10.00am; St Pius on Saturday 10.30am**

The following lines were found scratched on the wall of a bomb-blasted, **air-raid shelter** in Germany after the Second World War.

I believe in the light,  
even when the sun doesn't shine.  
I believe in love,  
even when it isn't given.  
I believe in God,  
even when his voice is silent.

How wonderful is the GOOD NEWS!
