## Living the gospel

### Message and Medium

We live in a world that is saturated by advertising and marketers trying to persuade us to think certain things, want certain things and even act in certain ways. At times the message and the medium of the message blur and it's not always clear where one stops and the other begins. For Christian people the medium – the person – IS the message (or at least should be!). We are called to live what we believe. That can be tough at times, especially in our modern world, but the challenge comes from the example Jesus gave.

### LAUDATO SI': ON THE CARE OF OUR COMMON HOME

Pope Francis' Encyclical *Laudato Si'*: *On the Care for Our Common Home* is a call for global action as well as an appeal for deep inner conversion.

He points to numerous ways world organisations, nations and communities must move forward and the way individuals -- believers and people of good will -- should see, think, feel and act.

Each week, we offer one of the Pope's suggestions, with the paragraph numbers to indicate its place in the Encyclical.

"Keep oceans and waterways clean and safe from pollutants; use biodegradable detergents at home and business."

*Pars 30, 174*
