A young couple invited their parson for dinner. While they were in the kitchen preparing the meal, the parson asked their son what they were having for their meal. "Goat," said the boy. "Goat?" spluttered the parson. "Are you sure?" "Yes," said the boy. "I heard my dad say, 'Today's as good as any to have the old goat for dinner.'"

**HOLY WEEK:** Thanks again to all who helped. I'll be doing the usual review of it soon. Easier to remember hitches etc. soon after than as Holy week 2017 approaches. There were a number of hitches with the Easter Vigil that caused it to take longer than usual. I try to make it about 1 Hr 20 min. This one was about 1 Hr 40 min. somebody said afterwards I had too many servers; but they have a lot of things to remember. So it is better to have many servers with a bit to remember each.

## STEWARDSHIP PROGRAM REVIEW (Planned Giving)

As part of our Planned Giving Program we will be having a Midway Review over the next two Sundays of April 10th & 17th. Our Planned Giving Program commenced mid year of 2014 and we will be inviting people to recommit for the duration of the Program. Our Stewardship Program provides the core funding for our parish facilities and programs. Over the next two Sundays, you will hear about our current state/future plans and have the opportunity to make your contribution. I am extremely grateful to all those who continue to generously support the ongoing life and development of our Parish, and invite newcomers to consider committing themselves as well. Next Sunday Mass there will be a short presentation regarding our current situation, as well as an indication of our plans over the next couple of years. The following Sunday, everyone will be invited to fill out their pledge card once again as we recommit to the next 18 months of giving. Once again, I thank you all.  
*Fr. Michael*

## PROJECT COMPASSION 2016

Our final total for last year was \$5520.00. Our so far total this year is \$5023.60. Hopefully there is a bit to come in yet, including the trading Table for April. At the start of Lent I mentioned that a family who used to give \$500.00 had left us. This \$500.00 has been nearly made up for by the school families, who have increased their giving by about \$350.00. Last year St Joseph's School final total was \$981.50. This year so far, it comes to \$1339.85. Thanks to all who have contributed generously.

## SOME READING

For the next 3 Sundays I am going to put out a few copies of some articles.

This and next week's are from the London lay-owned & operated Catholic weekly, The Tablet.

This week, it is from the director of the Vatican Observatory, Guy Consolmagno SJ, about some common misunderstandings in his field.

Next week's is about Pope John Paul's deeply affectionate with a Polish woman who was a psychiatrist. Pope John Paul felt no embarrassment about this friendship; neither did he conceal it. However, since some bright spark published his correspondence with the woman, some have been taken aback, scandalised, tut-tutted etc.

The third article is from another London Weekly, the Economist. It is about wine production in Tasmania.

MASSES NEXT SUNDAY  
RED CLIFFS: 10.00 am  
(Irymple: 8.30 am)
