St Marys School Report

Trip to Matilda—What a brilliant day we had at Matilda. The children enjoyed a wonderful experience and it was a delight to see the joy on their faces as they watched the show and afterwards when they recounted their favourite parts to each other. We are truly blessed to have such beautiful children who were a credit to themselves, their families and our school.

Thanks to those parents that assisted us on the day. We couldn't have enjoyed such an experience without your help. Also a big thank you to the staff for their preparedness and willingness to give the children such a wonderful and memorable opportunity.

Below are some comments from some students on their experience

"I liked Matilda. It was fun because the lasers were good" - Tommy

"It was good and scary at times! It was worth seeing" - Hayden

"It was almost as good as going to the footy! I loved the special effects, especially the lasers" - Daniel

"My favourite part was when Ms Trunchball spun one of the students around by her plaits! I loved looking at the city on the bus. We all wanted to have a window seat!" - Hayley

St Marys Sensory Garden—We have been working on Sustainability and are improving our school garden. Thank you to Mr Paul Lehman for helping us so far. An astronomical thank you to the people that have already kindly donated something to our cause. We would greatly appreciate, chain mesh wire, chicken wire, twitching wire, steel posts, assorted fruit trees and sleepers for our garden bed.

We can't wait to add to our garden and legacy for future St Mary's students
