World Refugee Day June 20th

God, no one is a stranger to you and no one is ever far from your loving care. In your kindness watch over migrants, refugees and asylum seekers, those separated from their loved ones, those who are lost and those who have been exiled from their homes. Bring them safely to the place where they long to be, and help us always to show your kindness to strangers and those in need. We ask this through Christ our Lord, who too was a refugee and migrant who travelled to another land searching for a home. **Amen**

Father Dan's Jubilee will be celebrated with 10.30 mass at St. Brendan's church Cororooke on Sunday July 24th. This will be followed by a casserole lunch in their hall. Our parishioners are invited to join in the celebrations . Please take along a plate of cakes to have as a dessert

Window Replacement at St. Joseph's Timboon: As many of you had noticed and commented upon the untidy state of the film covering on the lower windows, the finance committee, in consultation with the leadership team and approval from Fr Laurie O'Toole, our administrator , made the decision to replace the lower windows with toughened glass. It seemed that the most prudent action in order to maintain acceptable standards and to meet current building guidelines in the most cost effective way was to replace the widows. If you a have any further questions or comments please talk to one of the finance committee members.

Water Pipe Replacement at St. Joseph's Timboon: It came to the attention of Leadership team that when it rained water poured down under the church building. This has been happening for some time and could potentially effect the integrity of the church structure. After Gerard Vogels did lots of digging and after consultation with two plumbers, it was found that the water from the hall just went into old earthen pipes that stopped at back of church, hence after a heavy rain water drained under the church, onto the concrete area and down into the front garden bed. The solution was to put a new pipe along the presbytery into an existing pit and then the water will drain into the town storm water system. A sincere thanks to Gerard for all his time and physical labour to make this happen for the minimum cost to our parish.

Pope Francis has condemned the massacre in the gay nightclub in Orlando and criticised the free flow of weapons around the world, echoing the words of Chicago Archbishop Blase Cupich, who earlier called for greater efforts on gun control.
