## **Gospel Reflection by Greg Sunter**

The parable of the lost son is usually taken in isolation and rarely is heard in the full context of the three parables of the lost being found. We need all three to recognise the ridiculous nature of the celebration of the forgiving father's actions. All three parables display great folly. What shepherd would leave 99 of his sheep in the wilderness to go in search of just one? Similarly what woman is going to reveal to her friends how poverty-stricken she really is by inviting them to rejoice with her at the finding of one lost drachma – the least valuable of coins. When we come to the father rejoicing at his son's return, this too would have seemed a ridiculous folly. Because of his actions, the son completely shamed himself and his father. The father's expected and justified response would have been to turn his back on his son and banish him forever. To welcome him back would have been unthinkable to Jesus' audience. In an echo of God's ridiculous and unbounded loving forgiveness, the father welcomes his son with open arms and reclaims him as his own.

## **Child Protection Sunday**

The images of child sexual abuse have continued to affect our entire community and diminish the trust some have placed in our Church. That trust has been further eroded when the institution has failed to appropriately respond to the victim's needs. Yet the Catholic Church is in unique position to offer much within this focus of creating stronger communities, safer Children. One such example can be seen in Pope Francis' apostolic exhortation *Amoris Laetitia*, in which families and consequently communities are encouraged through love, strengthened by the virtues of generosity, commitment, fidelity and patience to become stronger more capable and more resilient. Stronger families and Church communities can then help to keep our children safe.

As the Royal Commission begins to finalise hearings and close registration for private sessions, Child Protection Week, and in particular Child Protection Sunday provides a wonderful opportunity to reflect on the steps we have taken to make children safer in our communities; at home, in our churches, schools and Catholic agencies

Here in the Cathedral Parish we can see evidence of the strength of our community providing support, protection and opportunities to help keep our children safe through the commitment to implementing the policy [Safeguarding Children and Vulnerable Adults](#).

The St Patrick's Conference of the Society wishes to thank Parishioners for their generous support of the Winter Appeal. A total of \$4,246 was contributed through the envelopes returned locally and those forwarded to our Head Office at Box Hill to be credited to our account.

As well, the support from both our Parish Schools in the form of donations of non-perishable food, clothing and blankets was once again extremely generous.

The ongoing anonymous contributions through the Poor Box are also greatly appreciated. Such wonderful support from our Parishioners enable us to provide some material assistance, as well as our support and encouragement to the many people who seek our help. Thankyou
