Sunday 16th October Twenty-Ninth Sunday Of The Year

St Patrick's School Report

Term 4— We hope that all staff and students in all three schools in our cluster have had the chance to relax and refresh ready for a busy term ahead.

Staff Retreat— On Monday 3 October all staff from St Patrick's attended a retreat at Halls Gap facilitated by John Meneely, assistant director of Catholic Education Office Ballarat. John lead staff through a process where we each reflected on our own spiritual journey. He reminded us that we each have much to be grateful for and that we should each express our gratitude each day.

Walk to School during October—Our students are keen to walk to and from school during the month of October. Our local shire has a number of prizes on offer for students who regularly walk during this month. They have also organised Wimmera Regional Sports Assembly to facilitate some lunchtime activities twice throughout the term. Let us pray that the weather improves so that our students can manage some outside activity during their school hours this term.

Young men interested in knowing about the Priesthood

A Priesthood Vocations' Retreat Day for any young students/men around the diocese hosted by St Patricks College Ballarat will take the form of pilgrimage on Saturday 12th November. For more information please contact Edward.Moloney@cam.org.au

Congratulations

Two children from St. Marys Church Rainbow, are to be confirmed and to be admitted into the Sacrament of the Eucharist this coming Sunday. Let us congratulate Rylee Cocks and Jakob Cocks, as they take the remarkable step in their faith journey. Let us thank their parents Jacinta and Stuart Cocks, Caroline and Mark Cock's for taking the responsibility and supporting their children's faith journey. We as a parish community, support and assist them as they grow and mature in their Christian Faith. Let us also thank Rosealie Perkins for preparing the children for these sacrament's.

Food for thought.

October 17th is International Day for the Eradication of Poverty
 In September 2015, world leaders adopted the 2030 Agenda for Sustainable Development, which includes a set of 17 Sustainable Development Goals (SDGs) to end poverty, fight inequality and injustice, and tackle climate change by 2030. The Sustainable Development Goals, or Global Goals, build on the eight Millennium Development Goals that the world committed to achieving by 2015. The new SDGs go much further than the Millennium Goals, addressing the root cause of poverty and the universal need for the development that works for all people.
