### St Patrick's School Report, Nhill

**School Review**—St Patricks School has just completed it's four year school improvement review. We thank all staff, school community members, parents, students and Father Neville who contributed to this process. We also thank Pam Burton, Joy Quarrell, Tony Perkins and Chris Robarts who formed the Review Panel and who provided some thoughtful insights into the future direction for St Patrick's School.

**Kinder Transition**—We welcomed our two 2017 Foundation students to school on Wednesday morning. They stayed for two hours and enjoyed the Literacy activities in the classroom. This is the first of three visits and we are looking forward to their next visit on Wednesday 2 November.

**Reading Counts**—Our Pre-school reading program is continuing to grow as more and more pre-schoolers spend an hour with us each Monday morning. This week we read

'Owl Babies' and the children engaged with many activities after reading the book, including actioning an 'owl poem' and creating an owl plate.

**Meals on Wheels**—All student's in years 3-5 have enjoyed assisting with the delivery of Meals on Wheels to members of the Nhill community. Although it was raining heavily on our last day, all students enjoy this social justice activity.

### October—The Month of the Missions.

In Jesus' mandate: 'Go, then, to all people everywhere and make them my disciples' (Matt 28:19), he is speaking to each one of us. Our responsibility for the proclamation of the Gospel in other lands is very real and warrants a continuing awareness in our prayer, along with our financial support towards the material need's of those working overseas in other places proclaiming the Good News of Jesus Christ. Mission Sunday presents us with the opportunity to give that support.
