32nd Sunday in Ordinary Time (C) 6th November 2016

Focus on the Scripture

Billy Elliott was a boy brought up in a strife-torn mining town in the north of England. He discovered a passion for dancing. At an interview at the Royal Ballet School which was going badly, he was asked: 'What do you feel when you're dancing?'

'I've got fire in my body.' And he got the scholarship because the panel realised that when Billy danced, he became 'fully alive': bodymindspirit fully integrated. When Billy danced, everything that Billy was, was dancing.

That is what our Resurrection is all about. Our whole personality will be dancing with the radiance of Divine Fire coursing through our bodymindspirit. The Sadducees' small-minded sarcasm could not grasp that we will be bodies transfigured, translucent to divine light and energy.

We could take a moment to pray that, by the grace of God, our bodies will dance, enflamed by Divine Love.
