PROJECT  
COMPASSION

Like many of her neighbours in her rural village in the Philippines, Dinia struggled to feed and educate her children, and the struggle worsened after her husband's untimely death. But, with the help of a program supported by Caritas Australia, she now has the skills to earn a better income for her children and help her neighbours in her vulnerable community.

Please donate to Project Compassion 2017 and help people in rural areas of the Philippines develop their strengths and build better futures for their families and their neighbours.

You can donate through Parish boxes and envelopes, by visiting [www.caritas.org.au/projectcompassion](http://www.caritas.org.au/projectcompassion) or phoning 1800 024 413.

## **The Diocesan Ecological Sustainability Group (ECOS)**

Encouraging parishes to spread the word of *Laudato Si*.

Francis (of Assisi) helps us to see that an integral ecology calls for openness to categories which transcend the language of mathematics and biology, and take us to the heart of what it is to be human..... if we feel intimately united with all that exists, then sobriety and care will well up spontaneously. The poverty and austerity of Saint Francis were no mere veneer of asceticism, but something much more radical: a refusal to turn reality into an object simply to be used and controlled. *Laudato Si 11*
