St Mary's School Report

Cross Country—Congratulations to all the children who represented themselves and our school at Kaniva for the Cross Country. They all tried their hardest. Well done to Daniel McKenzie who will continue to Warrnambool on Monday June 5.

Catholic Education Week—On Tuesday we travelled to Hopetoun and celebrated with children from St Joseph's Hopetoun, St Mary's Sea Lake and St Patrick's Nhill. The Theme "Strive for the Greater Gifts" is based on St Paul's first letter to the Corinthians in which he goes on to attest that all we do must be centred on love. The children celebrated Mass together, followed by some activities based on "Following in the Footsteps of Jesus". The other students rotated through some minor games, then completed the Religious Education Activity. The children particularly enjoyed the opportunity to play with students from other schools. They enjoyed the climbing frames, swings and the many games of football and vortex throwing that were taking place on the oval. A great day was had by all. We thank Miss Maiden and her staff for all the preparation involved. We also thank the parents from St Joseph's Hopetoun for providing our lunch.

ResourceSmart 5 Star Award—St Marys is the first Primary School in Western Victoria in 2017 to achieve this status after 3 years of hard work. On Saturday morning (27th May) we received our 5th star which was awarded for Biodiversity. This adds to our other achievement's in Core, Energy, Waste and Water modules. This presentation took place in our Sensory Garden. Many thanks to our Facilitator Paul Lehman for guiding us. We now generate our own energy using solar panels and have not paid a bill in several years. We are very low in waste, water and energy use and collect our own rainwater. Congratulations to everyone who was involved, including the Parent's Committee for catering this event.
