Bishops listening to young Catholics

The Australian bishops are asking young people (16–29) to share their views about life, faith, and their experience of Church through an online survey. This is part of a process leading up to a Synod called by Pope Francis, which will be held in Rome next year. The questions cover a range of topics including: the experience of being listened to, using social media and technology, friendships and influences in today's world, opportunities for engagement with Church activities such as, outreach programs, youth masses, community leadership or parish events. Pope Francis has called young people to join this inclusive journey saying that the Church 'wishes to listen to your

voice, your sensitivities and your faith; even your doubts and your criticism. Make your voice heard, let it resonate in communities ... Every young person has something to say to others ... all of us need to listen to you! ... even young people who consider themselves agnostics, even young people whose faith is lukewarm; even young people who no longer go to Church; even young people who consider themselves atheists'. Visit www.catholic.org.au/youthsurvey before Sunday 2 July.

Pope Francis' Letter to Young People ~ 13 Jan 2017

I am pleased to announce that in October 2018 a Synod of Bishops will take place to treat the topic: *Young People, the Faith and Vocational Discernment*. I wanted you to be the centre of attention, because you are in my heart ...

I am reminded of the words which God spoke to Abraham: "Go from your country and your kindred and your father's house to the land that I will show you." (Gen 12:1). These words are now also addressed to you. They are words of a Father who invites you to "go", to set out towards a future which is unknown but one which will surely lead to fulfilment, a future towards which He Himself accompanies you. I invite you to hear God's voice resounding in your heart through the breath of the Holy Spirit. When God said to Abram, "Go!", what did he want to say? He certainly did not say to distance himself from his family or withdraw from the world. Abram received a compelling invitation, a challenge, to leave everything and go to a new land. What is this "new land" for us today, if not a more just and friendly society which you, young people, deeply desire and wish to build to the very ends of the earth? ...

Jesus looks at you and invites you to go with him. Dear young people, have you noticed this look towards you? Have you heard this voice? Have you felt this urge to undertake this journey? I am sure that, despite the noise and confusion seemingly prevalent in the world, this call continues to resonate in the depths of your heart so as to open it to joy in its fullness ...

A better world can be built also as a result of your efforts, your desire to change and your generosity. Do not be afraid to listen to the Spirit who proposes bold choices; do not delay when your conscience asks you to take risks in following the Master. The Church also wishes to listen to your voice, your sensitivities and your faith; even your doubts and your criticism. Make your voice heard, let it resonate in communities and let it be heard by your shepherds of souls ...
