Promote Care, Oppose Euthanasia

The Victorian Government is seeking to introduce euthanasia and assisted suicide later this year. The proposed changes will impact everyone, not just those terminally ill. The Catholic Church believes that any proposal to introduce legislation enabling physician-assisted suicide and euthanasia is not in the best interests of the community and will have wide-reaching ramifications. For information about this important development, its impact on our society, and action you can take, visit www.cam.org.au/euthanasia ☎ 02 9560 5333. Info: www.palms.org.au/encounters/
