A Vocation View:
 An employer would probably fire any employee who never does the job properly. God's plan calls us to live our vocation daily in the best way we can.
 "You are loved. You are worth it. The same God that crafted the galaxies is restless to spend eternity with you. That same God, our Father, has a special plan set out for you. He loves you. He desires you. God has entrusted you with a special **mission**. He is working through you. No one else can play your part."
