**CATHOLIC MISSION APPEAL 2017:** Our prayers and financial help are requested for the continued work of Catholic Mission in Papua New Guinea, Vietnam and elsewhere around the world. Drinking water, accessible health care, education services and spiritual support for poor and needy families are made possible by our support that helps provide things we take for granted in over 160 countries. We are encouraged to give via envelopes at back of each church or by placing our donation in the special collection we ask collectors to take up after Communion at each Mass and Assembly this weekend 28/29 October.

**ST AUGUSTINE'S CHURCH HEATING:** Following discussion at our 19<sup>th</sup> October Parish Council meeting, we have accepted a \$9,000 quote for under floor ducted gas heating in St Augustine's church to replace the current old, faulty and at times difficult to operate gas heaters. Suggestions are invited for what part of the church to use and how to heat this for weekday Winter Masses rather than having to heat the whole building for these. Please put on your thinking caps and share your ideas with Parish Council members, Jill Morse or Fr John.
