PRAYER REQUESTS

Dear Friends

As we are going to the end of this liturgical season with 3 more Sundays to go, during these 3 Sundays the Church invites us to reflect on the last judgement day. This judgement day is going to be good news for the people who live according to the guidelines of the gospel. But for others there is still time for them to make up their mind. God did not simply make human beings as the highest point of creation and crown them with His glory. Because He created human beings in His own image and likeness, Jesus brings this closeness of God and human beings once again through the paschal mystery.

This parable of the judgement of the nations contains the most revealing passages about Jesus' concern and identification with the lost and the least. One who does works of charity towards these persons in need is saved not for the good works he does; one is saved because one's good works are done for God who identifies with the persons in need. Our salvation comes not just by being good nor doing good. It is not earned by our generosity. But salvation comes from living our faith in God, in our relationship with others. That is to live and share the love of God. So let us strive for our salvation through living our faith and God's love in our daily life. Let us pray to the Lord to give us the heart and mind of Jesus, so that we may be able to love and care for people who are in need.

Fr Neville
