**Making Connections:** How can human beings describe the realities of good and evil? In Mark's Gospel, when we see and hear Jesus binding the power of the 'devils' and 'demons', we are witnessing the beginnings of the victory of good over evil. Jesus takes on the sin and suffering of the world and overcomes it. Make a special effort this week to extend a **helping hand** to someone in need. If you know someone who is gripped by some 'demon', offer them a **word** of encouragement.

**Did you Know?: Points of interest and Catholic lore.** \* Capernaum was a thriving town and was a centre for the local fishing industry.

\* The Jewish Sabbath begins at sunset on Friday and lasts until sunset on Saturday. As the day of God's rest, work was not permitted. That is why Jesus only begins his work of healing after sunset.

**Marriage Tip:** Perhaps your children are grown and it's just the two of you again. Has your attention to each other grown stale or routine? Take up a new hobby, sport, or volunteer effort together.

**Daily Prayer:** To this house, O God, the Teacher comes to preach and to heal. Life's emptiness is filled, its misery transformed. Lift us up from self-concern and set us free for service to others. May we go forth renewed and refreshed to proclaim the good news.

**A Vocation View:** The afflicted Job in the Old Testament thinks that his life is like dust in the wind; his restlessness depicting the sorrow and sadness afflicting society today. Are we prepared for the task ahead? "To heal the broken-hearted, to bind up all their wounds." How do you choose to respond?

**PARISH PRAYER:** Loving God, **Good Shepherd** to us all, Gather us and form us into a welcoming parish **family**. Touch our hearts with your love so that we, in turn, may reach out to love one another, in a **neighborly** community. **Our Lady Help of Christians**, guide us as we seek to do Christ's will. Bless us in service, strengthen us in support of each other, and unite us as we grow in faith & love, to be a **welcoming**, caring Parish **community**. We ask this through Jesus Christ our Lord. Amen. Saints Carthage and Mary MacKillop, pray for our Parish family.

That those who have material, political or spiritual power may resist any lure of corruption.

We are invited to grow in Christ toward an expansive, inclusive love for one another: faithful in giving and receiving unselfish love.

Re: Welcome to the New School Year

Dear Colleagues,

The Australian Bishops have identified the liturgical year of 2018 as a **national Year of Youth**, which invites the Church into dialogue about the importance and life-giving presence of young people in the Church and society. It calls for dialogue and active engagement focused on the reconnection and renewal of a new generation of young people in the life of the Church. **In Catholic education**, this provides an opportunity for us to focus our energy anew on our ministry to students, many of our parents and younger staff members.

At World Youth Day 2016, Pope Francis called young people and the Church to 'open new horizons for **spreading joy**'. As we set out on the journey of the 2018 school year, **we are all challenged** to consider how we can: *...take the path of the "craziness" of our God, who teaches us to encounter him in the hungry, the thirsty, the naked, the sick, the friend in trouble, the prisoner, the refugee and the migrant, and our neighbours who feel abandoned. To take the path of our God, who encourages us to be politicians, thinkers, social activists.*

Perhaps **seeking God** in the lives and witness and yearnings of the **young people** with whom we work - whether students, young staff or young families - is a good starting point. So often, a small unexpected **interaction** might be the ideal opportunity to share the Good News and to accompany young people as they discern the paths to which God calls them.

The prayer for the Year of Youth, invites the "Holy Spirit of this Great Southland" to "inspire our entire faith community, as we prayerfully **discern new horizons for spreading joy** in the lives and communities of the People of God." May the year ahead in Catholic education across the Diocese of Ballarat **enliven our education community** and inspire us to be courageous as **together** we "build a civilisation of love".

Wishing each of you every blessing for the year ahead.

Audrey Brown Director of Catholic Education
